

HIGH SCHOOL NOTES.
By S. A.

Several of the High school boys went to Greenwood last Friday night to attend the oratorical contest. The final examinations will be held

in the tenth grade, starting Thursday. The graduating class is larger than any in the history of the school. They are getting ready for the commencement exercises to be held May 20.

On next Friday evening, four boys chosen by the Calhoun Literary society of the Laurens High school will contest for an essayist's medal offered by the Calhoun Literary society. The es-

sayists are Katie Wofford, Mary Posey, Rebecca Dial, and Margurite Tolbert. The contest will be held in the Laurens school auditorium, and will begin promptly at half past eight o'clock.

No admission fee will be charged, and the public is cordially invited to be present.

The Laurens High school ball team played the Wofford Fitting school in Garlington's pasture last Wednesday. The Laurens boys played good ball but Wofford's team was too strong. The score was 5 to 0 in favor of the visitors.
